APPLICATION OF THE WESTERN INFRASTRUCTURE SUSTAINABILITY EFFORT
FOR LEAVE TO INTERVENE

1 Pursuant to A.A.C. R14-3-105, Western Infrastructure Sustainability Effort
2 (WISE) hereby moves the Commission for leave to intervene in the above-captioned proceeding.
3 WISE is an Arizona Corporation dedicated to working in various Western regulatory arenas in
4 order to incentivize private investment needed to meet critical infrastructure needs in the water,
5 waste water and natural gas industries. These four combined cases present critical issues of
6 capital structure, rate of return, access to financing and opportunity to earn the authorized return
7 on investment. These factors are critical in determining a utility's ability to attract capital and
8 install and maintain infrastructure. Furthermore, ACC policies and rulings on these issues will
9 directly affect other private utilities and will influence the national perception of Arizona's
10 regulatory environment and infrastructure sustainability.

11 The granting of intervenor status to WISE will not unduly delay the proceedings or cause
12 the issues to be unduly broadened.

13 WISE requests that all communications in connection with the above-captioned
14 proceedings be directed to: Greg Patterson
15 916 West Adams Suite 3
16 Phoenix, AZ 85007
17 greg@azcpa.org

19 For the reasons discussed above, the WISE respectfully requests that it be granted leave to
20 intervene in these proceedings, and that the WISE be accorded the full status of an intervenor
21 under the Commission's rules and regulations.
